GENL. & REV. DEPT. 1932 SECRETARIAT.

Sir,

In continuation of my petition dated 16.6.32, I, the undersigned, most humbly and respectfully beg leave to bring to your kind notice that, I was given an endorsement to say that "your petition was sent to the Mysore Commissioner for disposal". On receipt of the above endorsement, I sought for an interview with the Mysore Commissioner on the 1st instant. He said, he could not do anything as against the Government order and if Government had ordered on my review petition for reenquiry, then he could have considered my case. During the course of my interview yesterday, Sir, you kindly granted, I placed before you the facts of my case and you were kind enough to ask me to give another petition relating to my case. As I have already mentioned the details of my case in my review petition and explained the real facts before you, I only pray that a stay order may kindly be given on the decision of the Government already arrived at, until I am heard and reported.

For this act of kindness I shall for ever be thankful. I have the honour to be

Sir
your most obedient servant

I do not think the petitioners request can be granted. It is clear from the Mro's report that he is responsible for transactions which show that he has disregarded the interests of the temple and diverted funds for his own use. He admits having taken a large amt belonging to the temple and has not repaid it. The endorsement may be sent to him to say that there are no reasons to modify the orders already passed and a copy of it may be sent to the Mro for information.
